

# Snow Fluff Experiment

---

[hemisfair.org/parkitathome](https://hemisfair.org/parkitathome)

# Snow Fluff Supplies

- 1 cup cornstarch
- 1 cup shaving cream
- Food coloring
- Bowl and spoon

# Snow Fluff Instructions

**Step 1:** Pour the cup of corn starch into a large bowl. Use a spoon to scoop the shaving cream on top of it. Add a couple of drops of the food color of your choice.

**Step 2:** When the mixture looks like grated cheese, use your hands to squish the mixture together. Pretty soon the shaving cream and corn starch will form a ball, about the same texture as dough.

**Step 3:** If your mixture is wet and sticky after mixing, it needs a little more cornstarch. If it won't stick together, add a little more shaving cream.

**Step 4:** That's it! Now get creative!
