

Cityscape Activity

hemisfair.org/parkitathome

Cityscape Activity Supplies

- Washable markers
- Glue
- Scissors
- Construction paper in various colors
- One piece of cardstock

Cityscape Activity Instructions

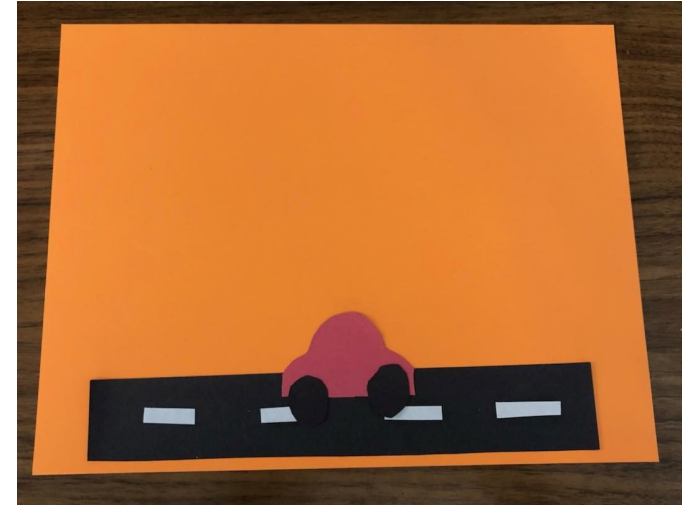

Step 1: Cut a black strip of construction paper to make a road and glue to the piece of cardstock.

Step 2: Glue white strips as street markers and cut and glue your car.

Step 3: Make your city using various shapes and colors of construction paper.

Share your city with us!
