

# Hand Tree Activity

[hemisfair.org/parkitathome](https://hemisfair.org/parkitathome)

# Hand Tree Activity Supplies

- Crayons in various skin tone colors
- Glue
- Scissors
- Green, white and brown construction paper

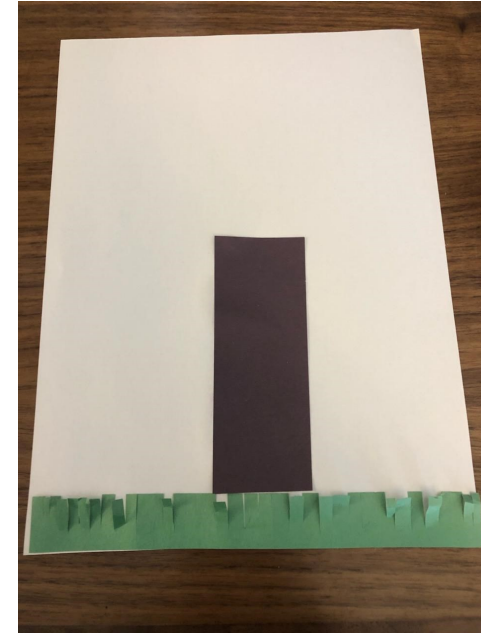

# Hand Tree Activity Instructions

**Step 1:** Cut a green strip of construction paper and make small cuts  $\frac{3}{4}$  of the way down all along the strip to create your grass. Glue the grass to one piece of your white construction paper.

**Step 2:** Cut a brown strip of construction paper to create your tree trunk.

**Step 3:** Using another piece of white construction paper, trace your hand multiple times and color your hands in various skin tone colors.

**Step 4:** Glue the colored hands to the tree trunk to create your tree canopy.

**Share your tree art with us!**
