

Moon Activity

hemisfair.org/parkitathome

Moon Activity Supplies

- Aluminum foil
- Black construction paper
- White paint
- Color or marker
- Paper plate or bowl

Moon Activity Instructions

Step 1: Draw a large circle on your black construction paper using the outline of your paper plate or bowl.

Step 2: Create a ball out of aluminum foil.

Step 3: Dip your foil ball into the white paint and stamp the circle until you create your moon.
