

Shark Activity

hemisfair.org/parkitathome

Shark Activity Supplies

- Gray crayon
- Scissors
- Glue
- Blue construction paper
- Googly eyes

Shark Activity Instructions

Step 1: Glue your plate to the blue construction paper. Draw three triangles, one on top and one on each side. Draw a jagged line for teeth.

Step 2: Outline the teeth of your shark and then color your entire plate gray except for the teeth.

Step 3: Glue the googly eyes onto your shark.
