# Train Activity Supplies

- Printable
- Constuction paper
- Glue
- Crayons
- Various craft supplies
- Scissors

# Train Activity Instructions

**Step 1:** Print, cut out and glue your train to a piece of construction paper.

**Step 2:** Cut out squares for the number of letters you have in your name. Glue your name squares and create the length of your train.

**Step 3:** Fill your train cabs with material the train is hauling.

**Share your name train with us!**
